

# VÄRDE FREESTANDING KITCHENS

## DESIGN:

Mikael Warnhammar.

## MATERIALS:

Solid birch, birch veneer, white melamine foil and stainless steel. The glass-doors are made of tempered glass, which is more impact-resistant than ordinary glass.

## FINISH:

The units are clear lacquered and the worktops have been treated with oil for a more hard-wearing and durable surface.

## CARE & MAINTENANCE:

The worktops have been factory-treated with one coat of oil. To ensure that the worktop retains its durable surface for many years to come, it should be treated with BEHANDLA wood treatment oil 3–5 times a year.

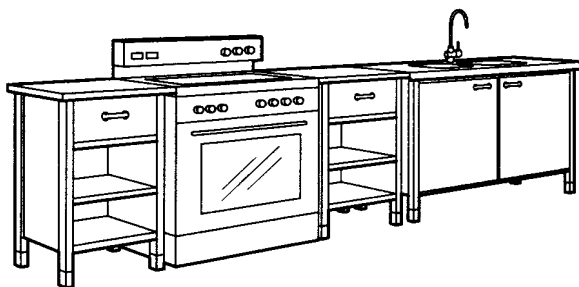

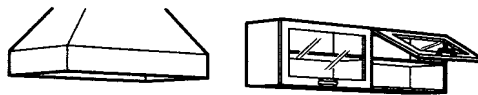

When necessary, stainless steel surfaces should be wiped with a sponge or a cloth and detergent after use. Always wipe length-ways.

## MEASUREMENTS:

Base cabinets come in two standard widths, 57½" (146 cm) and 69¼" (176 cm). They are 25¾" (65 cm) deep and produce a working height of 35¾" (90 cm).

## ENVIRONMENTAL INFORMATION:

VÄRDE is made of solid wood. This is a good material both from the point of view of quality and with regard to the environment. Wood is a renewable resource. It is also recyclable and biodegradable. None of our solid wood products are made from timber taken from intact natural forests.

**\$873**

*Compose the kitchen of your dreams with flexible, freestanding units. VÄRDE is a functional, hard-wearing kitchen that has been awarded the furniture industry's prize for quality and flexibility.*

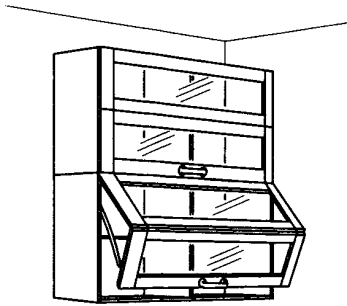

Choose **VÄRDE** and you will get unlimited possibilities to furnish your kitchen exactly as you want it – with flexible freestanding units. Each unit is complete in itself and easy to move any time you want to change your kitchen to reflect your needs, moods or taste. With **VÄRDE**, you don't have to buy everything at once – you can start with a few units and add more as you go. The freestanding units are also easy to take along if you move house.

**VÄRDE** has many practical details. To name a few: the smooth-running drawers that are also self-closing the last centimetres, the hinges with gas cylinders that make the wall cabinets close softly, and the adjustable shelves that help you make room for both tall cans and short ones. Yet more smart solutions: the adjustable legs that make the units stand steady, even on uneven floors, and the white-lacquered cabinet backs that enable you to place the units in the centre of a room.

**VÄRDE** is made of light materials, like solid birch, white melamine, stainless steel and birch veneer. This freestanding kitchen is robust and durable, which makes it suitable for use in other rooms at home or the office. **VÄRDE** can also be combined with our fixed kitchen, **AKURUM**, with matching doors. All handles and knobs are included, but you can also buy them separately to create a fully coordinated kitchen.

# VÄRDE SOLUTIONS

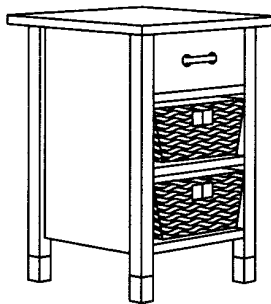

**Wall storage has never been smarter.** Fit cabinets singly or in combination with others. The tempered glass shelf is adjustable to optimise the storage of plates, glasses, dishes etc. The folding door takes up very little space when open.

**This combination \$338**

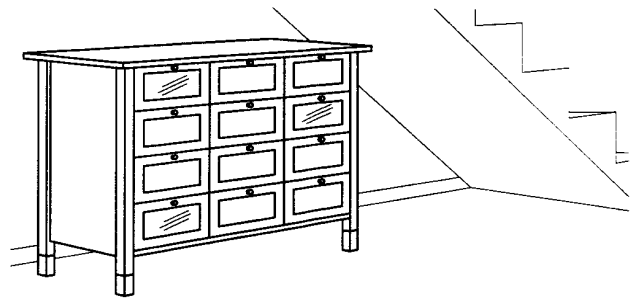

**Make extra working space for yourself** and a serving area too with VÄRDE serving table. It has two adjustable legs and two legs with wheels that make it easy to move. The solid wooden top also makes the table ideal as a surface on which to chop and work.

**VÄRDE serving table \$129**

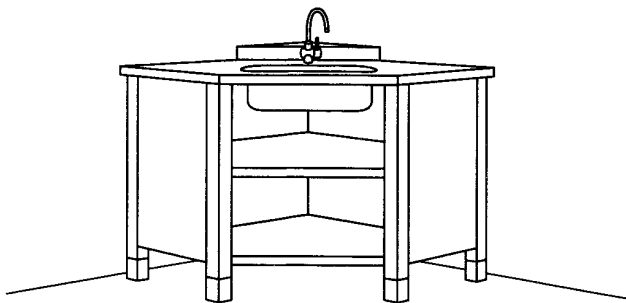

**VÄRDE rattan basket** coordinates exquisitely with the design and fits neatly into the shelves in VÄRDE cabinets. The ideal solution for storing napkins, candles, tea-towels etc.

**This combination \$207**

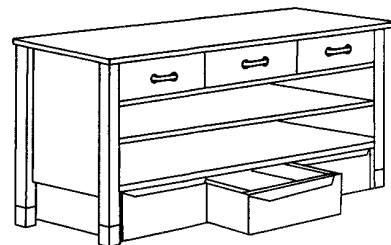

**VÄRDE counter storage unit – practical in any room.** Plenty of space for most types of storage needs in the kitchen, the hall or the living room. Sturdy, easy-glide drawers with fronts of tempered glass – much tougher and more impact-resistant than standard glass.

**VÄRDE counter storage unit \$499**

**Room for a kitchen wherever you have a corner.** The corner base cabinet makes optimum use of every inch of space. A large working area and plenty of space beneath for pots and pans etc. – or for a built-in sink or cooktop.

**VÄRDE corner base cabinet, excluding sink/faucet \$299**

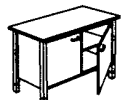

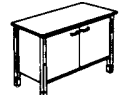

**Put drawers under VÄRDE base cabinets** and make the most of unused space. The drawers on castors make the contents both easy to reach and easy to see at a glance. A practical solution when you need extra storage but don't have space to spare on the floor or walls.

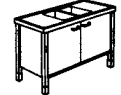

**This combination \$424**
